

HERITAGE KEY VILLAS
A NEW TRADITION

To The Owners and Tenants of Heritage Key Community:

In order to keep our Community looking neat and orderly, we ask you to please take the garbage to our Trash Compactor rather than the garbage sitting in front of the villa or porch area.

When taking this to the Trash Compactor, please place the garbage in the "hole" area. Please do not throw garbage over the fence causing an untidy and unsanitary condition. This is a violation of the Homeowners Association Rules and Regulations for Heritage Key Villas!

The Trash Compactor will automatically compact the garbage, NO buttons need to be pushed. If there are bigger items to be thrown then please contact the office.

Let's all do our part in keeping our Community clean and neat by picking up our trash and disposing it correctly into the Trash Compactor.

We thank you for your cooperation in this matter.
